

Fanta Kamara

CHRIO Goodwill Ambassador

Fanta Kamara was born in Stuttgart, Germany to Sierra Leonean parents. She spent a lot of her childhood living in various countries, before settling down in the Greater Toronto Area.

She graduated from McGill University in 2017 with a Bachelor of Arts – majoring in Economics and minoring in Political Science and German Literature. During her time at McGill University, she joined campus chapters of organizations committed to human rights and improving the quality of life of others, such as *Me to We* and *She's the First* due to her strong desire to positively impact others as well as the world around her.

It was this desire that prompted her to join CHRIO, an organization which does exactly that. During her time as an intern, she was able to gain invaluable practical experience and see firsthand how CHRIO works to better the lives of others.

As such, Fanta is proud to be a member of the CHRIO family, and will continue working with CHRIO as a Goodwill Ambassador for the organization. In this capacity, she will work to further CHRIO's mission and represent CHRIO around the world.

She is also currently working towards her law degree.
