

DRA. REYNA BRIZ FRANCO ORTIZ.

Executive Director

Mission Mexico

Ms. Reyna received the prestigious Doctor Honoris Causa honorary degree from the American Cultural Institute University in the State of Mexico, as a result of her involvement in multidisciplinary activities in the areas of legal research, human rights and professional ethics.

Her involvement in social justice projects for gender equality, professional ethics have been recognized by professional associations of lawyers, notaries, and NGO's.

Committed to social justice and economic development in her country, Ms. Franco undertakes the challenge of strengthening human rights, in particular, the combatting of gender based discriminatory practices.

As a result, Ms. Reyna Briz Franco was appointed to the position of Executive Director Mission Mexico in March

2016. As the Executive Director of Mission Mexico, Ms. Franco provides leadership and strategic direction to the organization, which allows Mission Mexico to achieve its goal of preserving the human potential found in all of Mexican citizens.

Reyna Briz demonstrates a great commitment to social justice through her social and community work activities, she hopes to better the lives of people in need as well as assisting individuals, who have experienced human right violations .
