

# Sasha Gil Ospino

Was born to a well - educated family of Colombia. Sasha's family helped her to stay devoted to her education and her love for others. After completing her early education from *Eucaristico Santa Teresa High School*. Sasha felt she should remain faithful to her ideals and try to find the way to help others in an international environment. She has a wonderful academic record which noticeably shows her affection towards her studies. Since her childhood, she dreamed of being a supporter of human rights and helps those who are victims. She did her study on international relations at *Universidad del Norte* in Colombia. She is now a professional in international relations and works in Colombia and internationally. Sasha has been working for the Canadian human rights organization (CHRIO), since 2011 as Executive Director Office Intergovernmental Support and Strategic Alliances for Latin America.
